# You've Got to be Carefully Taught

Rogers and Hammerstein

Webinar Title: Fostering Cultural Sensitivity and Raising  
Diversity Awareness in Early Learning Programs

*December 10, 2019*

You've got to be taught to hate and fear.  
You've got to be taught from year to year.  
It's got to be drummed in your dear little ear.  
You've got to be carefully taught.

You've got to be taught to be afraid  
Of people whose eyes are oddly made,  
And people whose skin is a different shade,  
You've got to be carefully taught.

You've got to be taught before it's too late,  
Before you are six or seven or eight,  
To hate all the people your relatives hate,  
You've got to be carefully taught!  
You've got to be carefully taught!
